

Mooring Application

To apply for a mooring and be placed on the Teignmouth Harbour mooring waiting list, please complete this application indicating whether you require a drying out (non-THC maintained) or deeper water (THC maintained) mooring, or a dinghy space and return it with your payment of £45 inc VAT per waiting list.

- Deeper water moorings are “maintained” ie. the Harbour Commission maintain the ground and rising tackle but not the buoy. Waiting list approximately 4-5 years.
- Drying out moorings are “non-maintained” ie. after initial set up by THC the mooring holder is responsible for maintaining their own mooring tackle. Waiting list 1 to 6 weeks depending on time of year and tides.
