

COME AND JOIN

THE SHALDON BOAT OWNERS AND MOORINGS ASSOCIATION

The Association was formed as a result of increasing marine related crime on the River Teign. The Shaldon Boat Owners and Moorings Association covers the tidal area of the Parish of Shaldon from The Strand at Ringmore to The Ness and the drying areas of The Salty

Our aims and objectives are:-

- 1) to protect and further the interests of the boat owners and mooring holders in the Parish of Shaldon
- 2) to form and maintain a boatwatch scheme in conjunction with Teignmouth Police
- 3) to encourage members to take an active part in preserving the environment
- 4) to represent the views of local boat owners to the Department of the Environment and other departments, bodies or organisations as necessary.

Voluntary surveillance of the boats moored within the Parish is organised from within the membership and the Police advise us that our boatwatch scheme has helped reduce the level of reported marine related thefts, over the years.

By joining the Association you will be helping us to help you. The Membership fee is £5.00 per annum, plus a joining fee of £5.00. The important part of joining is helping with the watches. By maintaining the watches we can continue to help reduce the thefts. The Boatwatch scheme is a totally voluntary part of the Association. You choose the nights that are most convenient to you. Our Watch secretary will organise the rota.

To join, either pop into the Brigantine Chandlers, The Strand, Shaldon or fill in the application form on the back and return to the Hon Secretary, John Read, 100 Maudlin Drive, Teignmouth, Devon TQ14 8SE.
